Viva Group Of Companies is established in the Emirate of Abu Dhabi and since then we are associated particularly in the field of Transportation, Equipments Hiring and Diesel Supply, catering our sincere services to all concerned in the United Arab Emirates which are managed and run by dedicated team of professionals.

“We believe that beginnings are always complex, whether at personal business levels or at a corporate level. Consequently, we work hard to overcome all difficulties that may impede our way, because success has always been our key objective since the beginning of **Viva Group of Companies** and this positions us at the centre of the vast world of business.”

Abdullah Noor (Managing Director)

MISSION

We seek to become the leading transportation company in the UAE. Our mission is to provide the highest quality transportation and logistics consulting service through identifying, training and retaining the industry's top talent. Specifically, we strive to improve our clients' business by building a positive legacy which can be built upon.

VISION

The business world has become enormous and highly competitive, therefore, survival would be for the best not for the strongest. In the world of diversified services that we provide in Viva Group of Companies, we aim to be the best in the eyes of our clients which is the ultimate goal to eternal success.

PASSENGER TRANSPORTATION

We are providing transportation for Staffs / Labours of all major leading companies as per their convenient schedule with our well experienced drivers on monthly/yearly basis.

Our services include - supply of vehicles with and without drivers to all major Companies, Schools, Hotels, etc.. We are providing vehicles like 14 and 9 Seater Mini Buses, 34 Seater Buses, 66 Seater Buses (With Oil Field Access Passes also) for Staff/Labour transportation.

GOODS TRANSPORTATION

We are providing 3 Ton Pick Ups, Flat Bed Trailers, Low Beds, Dump Trucks and Hiab Cranes etc.... for goods transportation with competitive rates.

EQUIPMENT HIRING

We are providing all types of heavy equipments like - Mobile Cranes, Showel, Excavator, Boom Loaders, Bob Cats, Fork Lifts, etc... with all valid safety certificates.

WORK SHOP

We are maintaining our own workshop to keep all the vehicles in good condition.

In addition, we are providing 24x7 basis mobile workshop team to run our valuable clients duty schedule smoothly.

Diesel Supply

ABDULLA NOOR DIESEL TR. LLC
